Sir:

**SUBMISSION OF TRANSLATION**

Applicants filed a Pre-Appeal Brief Request for Review on May 15, 2009. The rejection to be reviewed is based in part on WO 2002/014272, which is a Japanese language document. While the Office alleges that "the record is clear as to the precise facts relied upon in support of the rejection" and considered that an English-language translation was not necessary (Final Office Action of Jan. 16, 2009, at pages 2-3), Applicants nonetheless provide a certified translation of WO 2002/014272 for the Office's convenience.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
